Dear Fr Dan,

I wonder if you would be available for a meeting with me in late August. I am proposing that we consider and reflect on our partnership in relation to Community Colleges and also any potential pathways in relation to national schools.

I had intended to meet with you formally earlier following my appointment. I am sorry that it has taken this long to make this approach.

I am happy to meet either here or at a venue you decide. I am available on 21st and 22nd August if times on those days would suit. Otherwise we can liaise to find a more suitable day for you. I am going on holidays this week for a couple of weeks.

Yours sincerely,

Paddy Lavelle
Chief Executive Officer
